

Dear Harold + Fil

How are you? I've been busy
of you lately. The 25th anniversary
of JFK's death, reminded me of you.
There was an article in the
Boston Globe, they quoted you throughout
the article.

I'm living in Bridgewater MA. I'm
a half hour south of Boston, + a
half-hour north of the Cape. I have
my Ph.D and I work at a State
College in the Coarsely center.

I've forgotten ~~and~~ the last time I
wrote you? I don't know if I
told you that my father passed away
about 1 1/2 years ago. However, the rest
of my family is well. Please write

Season's ^{me a line I'd}
Greetings ^{love to see you}
^{both are doing}

AND
BEST WISHES
FOR THE NEW YEAR

Take care
Love
Filer
